### Miniature Masterpieces Benefit Habitat

Estero, FL; November 28, 2008 – Take part in the Christmas festivities and help house a deserving family for Christmas by purchasing a chance to win a playhouse for a lucky child! Lely High School students constructed four miniature masterpieces to benefit Habitat for Humanity of Lee County. The houses are 8x8x8 in size. Raffle tickets will be sold during the display of the playhouses at Coconut Point Shopping Center starting December 1st. A chance to win will cost \$1 with sales benefiting Habitat for Humanity of Lee County and the Simon Youth Foundation. A drawing for the houses will take place at Coconut Point on December 19th.

Habitat for Humanity of Lee County is a non-profit organization dedicated to eliminating substandard housing in Lee County. So far, Habitat has built more than 900 homes in Lee County since 1982. Through the use of volunteer labor and donations of money and materials, Habitat builds simple, decent housing for families who otherwise could not afford it. **Homes are sold to the homeowners at no profit on an interest-free mortgage**, making homeownership an affordable reality.
