Habitat for Humanity of Lee County, Winn-Dixie Stores Inc. and Kellogg's will help to celebrate a new beginning for the Harrison family, recently chosen to receive the soon-to-be renovated Habitat home on Juanita Court in Cape Coral.

Renovations of the existing homesite started Tuesday with a Habitat renovation kickoff ceremony. Lashaun Harrison and her two children, 3-year-old Konkeondre and 2-month-old Amiah, were present for the ceremony.

Also at the event were Winn-Dixie Miami Region Center Store specialist Bobby Oakes, Kellogg's retail team leader Jennifer Madalena and Habitat for Humanity of Lee County development coordinator Jenifer Welch.

During a six-week promotion, Winn-Dixie Stores and Kellogg's helped raise \$50,000, the full cost of renovating the Harrison family's future home.
